

# Alison House Hotel

In these unprecedented times, given last night's Government announcement that all non-essential travel has been announced we are left with no other option but to postpone our Bed and Breakfast service as our Restaurant and Bar were closed on Friday the 20<sup>th</sup> of March 2020 under the guidance of the Government until further notice, we will try and keep our customers updated as soon as humanly possible, If you have any queries about future bookings please do not hesitate and call 01629 822211 or send an email to [info@alison-house-hotel.co.uk](mailto:info@alison-house-hotel.co.uk)

My Team, Trustees and I would like to take this opportunity to thank you in advance for your co-operation and understanding at this time. It has always been our mission to deliver a service to our customers and this will continue once we are allowed to do so. However, we must act on Government advice as staff and customer health must always remain our first priority.

We will of course keep you all updated over the coming days and weeks.

Stay Safe

yours sincerely

Sharon
